

Girl Scouts Can Lead Anywhere!

By Melinda Carroll

Chorus

Girl Scouts Can Lead Anywhere!

Girl Scouts Can Lead Anywhere!

Girl Scouts Can Lead Anywhere!

Lead the Way! Lead the Way! Lead the way! Hey ay-ay-ay!

1st Verse

Some people, all they know now, is what they learn in school.

But a Girl Scout, journeys on now, confident and cool!

And it all looks, so easy, but there's more than meets the eye

'Cause a Girl Scout, knows a secret, that comes from deep inside!

Pre-Chorus

Do you wanna know what she knows? (Uh-huh)

Do you wanna do she does? (Uh-huh)

Then you better step up if you wanna catch-up!

Cause Girl Scouts rock the rules!

Chorus

Bridge 1

Lead the way, Girl Scout Daisy, Little flower, so much power!

Lead the way, Girl Scout Brownie, Taking action, that's your passion!

You lead the way, Girl Scout Junior, Strong and caring, and thanks for sharing!

We say lead the way! Lead the way! Lead the way! Hey ay-ay-ay!

Bridge 2

Lead the way Girl Scout Cadettes, Go-to girls, changing the world!

Lead the way, Girl Scout Seniors, Better than gold, brave and bold!

(I say) Lead Girl Scout Ambassadors, Shake it up, change it up!

We say lead the way! Lead the way! Lead the way! Hey ay-ay-ay!

2nd Verse

And the world is, on the move now and the girls on the journey groove!

To the beat that's, on the street now in a tempo that they choose!

It's your story, morning glory, keep it real, it's up to you!

And to every girl a-round the world, Girl Scouts make it cool!

Pre-Chorus

And do you wanna know what they know? (Uh-huh)
Do you wanna do they do? (Uh-huh)
Then you better step up if you wanna catch-up!
Cause Girl Scouts rock the rules!

Chorus 2X

(So shout it out! Rock it out!)
Girl Scouts Can Lead Anywhere!
Girl Scouts Can Lead Anywhere!
Girl Scouts Can Lead Anywhere!
Lead the way! Lead the way! Lead the way! Hey, ay-ay-ay!
