

Welcome Peace

By Melinda Carroll

1st Verse

I feel the peace beneath my feet.
When I listen to the earth, it's there so sweet,
In the forest green or the city street,
Floating like the sea.

2nd Verse

I want the peace beneath my feet
To rise up and live, right now through me.
And from this gentle place it flows,
Pouring out like air so free.

Chorus

Peace, Peace, Welcome Peace,
Peace, Peace, Welcome Peace,

3rd Verse

I dance the peace beneath my feet.
And through my actions and my words, I must repeat
This sound and feeling I found,
Greater Harmony.

4th Verse

I sing the peace beneath my feet.
Wind and rain and fire and earth, breathe into me.
In the rhythm of my birth;
The song of mountains and trees.

Chorus

Peace, Peace, Welcome Peace,
Peace, Peace, Welcome Peace.
Peace, Peace, Welcome Peace,
Peace, Peace, Welcome Peace.
