

## **Girl Scout Rap**

words & Music by Melinda Caroll

### **Chorus**

Change the World come with me, Time to let our dreams fly free  
And it comes so easily. That is our way!  
Every moment we're alive, It's our love that will survive!  
In the Girl Scouts together, We Change the World!

### **1st Verse**

We're the Girl Scouts and we say  
If you like a little challenge, well we found a way!  
Maybe you were thinking that you didn't fit in  
But we've got a story, let us begin!

The Girl Scouts started a long time ago,  
For girls from ages 5 to 18 or so.  
We've got the Daisies, the Brownies, the Juniors and Cadettes  
And the Seniors and Ambassadors make us the Best!

And when the Sisters link up in every land  
Our Voice is strong when we take a stand!  
Cause we're the Girl Scouts, uh-huh!

### **Chorus**

Change the World come with me; Time to let our dreams fly free,  
And it comes so easily, that is our way!  
Every moment we're alive, It's our love that will survive!  
In the Girl Scouts together, We Change the World!

### **2nd Verse**

Of course we love to camp, bike and swim  
We take on the same vocations as boys and men!  
And some folks think that this is just a game,  
But "adventure" is our middle name!

And we don't drink and we don't do drugs!  
Our bodies are too important to us!  
We're always prepared and community-minded,  
Come along, we think you'll like it!

And when the Sisters link up in every land  
Our Voice is strong when we take a stand

**To Chorus repeat 2X**
