

The Wind Beneath My Wings

by Larry Henley & Jeff Silbar

1st Verse

It must have been cold there in my shadow,
To never have sunlight on your face.
You were the one who let me shine.
You always walked one step behind.

2nd Verse

I was the one with all the glory.
While you were the one with all the strength.
A beautiful face without a name,
I never once heard you complain.

Chorus

Did you ever know that you're my hero?
And everything I would like to be?
Well, I can fly higher than an eagle,
'Cause you are the wind beneath my wings.

3rd Verse

It may have appeared to go unnoticed
But I've got it all here in my heart.
I want you to know I know the truth,
That I would be nothing without you.
