

Flicker of the Campfire

Public Domain

1st Verse

The flicker of the campfire, the wind in the pines;
The moon in the heavens, the stars that shine;
A place where people gather, meet friends of all kinds;
A place where old man trouble is always left behind:

Chorus

So give me the light of the campfire, warm and bright.
And give me some friends to sing with, I'll be here all night.
Love's for those who find it, and I found mine right here,
Just you and me and the campfire and the songs we love to hear.
Da da da da da da da da da da da da da da da da.

2nd Verse

The peacefulness of the silence of the night;
The sun in the morning, shining so bright;
The place where campers gather;
Making friends for all time;
A place where city troubles are always left behind:

Chorus
