

Ocean of Goodness

By Melinda Carroll

Chorus

Let me be a wave in an Ocean of Goodness,
A little ripple in a great big sea.
Let me be, let me be, like a drop of pure water,
Showering the love over you and me!
Ooo oo,! Ooo oo!

1st Verse

Rain falls one drop at a time,
Into the lakes, then meanders and winds
Down to the rivers and into the ocean;
Pure water in its natural motion!

Chorus

2nd Verse

Pure water, fountain of life
The precious element that keeps us alive,
And the birds and the trees and the fish of the sea;
Without pure water, where would we all be?

Chorus

Bridge

Celebrate Pure Water!
Celebrate Pure Water!
Celebrate Pure Water!
Celebrate Pure Water!

3rd Verse

Love and Peace doesn't fall from the sky,
But good vibrations from you and I
Can really make a difference in this beautiful world!
With a gratitude attitude, boys and girls!
