

# **Motion of the Ocean**

By Melinda Carroll

## **1<sup>st</sup> Verse**

If I were a whale I would excel  
In gliding with ease wherever I please  
I'd gracefully leap into the deep,  
If I were a whale, I would.

## **2<sup>nd</sup> Verse**

If I were a dolphin, I would play often  
In waves in the surf as they roll into the shore  
And spinning around can be so profound!  
If I were a dolphin, I would.

## **Chorus**

Oooh I love the motion of the ocean  
Oooh To the water I belong  
Oooh Just a-playing and a-swaying  
In the sea our beautiful home.

## **3<sup>rd</sup> Verse**

If I were an otter I wouldn't bother  
With worry and doubt, it's more fun without it!  
And swimming in kelp is good for my health!  
If I were an otter, I would.

## **4<sup>th</sup> Verse**

If I were a seal I would reveal  
My delight and surprise at how happy I feel  
Flying beneath all the ice and the sleet!  
And if I were a seal, I would!
