

Motion of the Ocean (Vol. 8)

By Melinda Carroll

1st Verse

If I were a whale I would excel
In gliding with ease wherever I please
I'd gracefully leap into the deep,
If I were a whale, I would.

2nd Verse

If I were a dolphin, I would play often
In waves in the surf as they roll into the shore
And spinning around can be so profound!
If I were a dolphin, I would.

Chorus

Oooh I love the motion of the ocean
Oooh To the water I belong
Oooh Just a-playing and a-swaying
In the sea our beautiful home.

3rd Verse

If I were an otter I wouldn't bother
With worry and doubt, it's more fun without it!
And swimming in kelp is good for my health!
If I were an otter, I would.

4th Verse

If I were a seal I would reveal
My delight and surprise at how happy I feel
Flying beneath all the ice and the sleet!
And if I were a seal, I would!
