

## **Ocean of Goodness (Vol. 7)**

By Melinda Carroll

### **Chorus**

Let me be a wave in an Ocean of Goodness,  
A little ripple in a great big sea.  
Let me be, let me be, like a drop of pure water,  
Showering the love over you and me!  
Ooo oo,! Ooo oo!

### **1<sup>st</sup> Verse**

Rain falls one drop at a time,  
Into the lakes, then meanders and winds  
Down to the rivers and into the ocean;  
Pure water in its natural motion!

### **Chorus**

### **2<sup>nd</sup> Verse**

Pure water, fountain of life  
The precious element that keeps us alive,  
And the birds and the trees and the fish of the sea;  
Without pure water, where would we all be?

### **Chorus**

### **Bridge**

Celebrate Pure Water!  
Celebrate Pure Water!  
Celebrate Pure Water!  
Celebrate Pure Water!

### **3<sup>rd</sup> Verse**

Love and Peace doesn't fall from the sky,  
But good vibrations from you and I  
Can really make a difference in this beautiful world!  
With a gratitude attitude, boys and girls!

### **Chorus 2X**
